

NEWS RELEASE APPROVAL

Dryden Flight Research Center  
DOP-T-003  
Revision: A

Objectives:  
-to provide accurate and timely information to the media relating to DFRC operations  
-to ensure that all news releases are approved prior to release  
-to index and record all press releases

Electronically Approved by:  
Chief, Public Affairs, Commercialization and Education

**Note 1**  
A Coordination Sheet (DFRC 154) is completed and attached to a news release for approval coordination, except if the news release is:  
1. An informational announcement that does not present detailed technical information (such as meeting notices.)  
2. A local reissues of HQ NASA news releases that have already been coordinated by HQ NASA.  
3. A local reissues of new releases that were originated and coordinated by other NASA centers.
